

## Travelling to the centre

Transport to appointments at the centre can be arranged for disabled people and carers who live in the Liverpool City Council area.

For information about public transport to the centre contact:

**Merseytravel Traveline 0870 608 2608 • [www.merseytravel.gov.uk](http://www.merseytravel.gov.uk)**

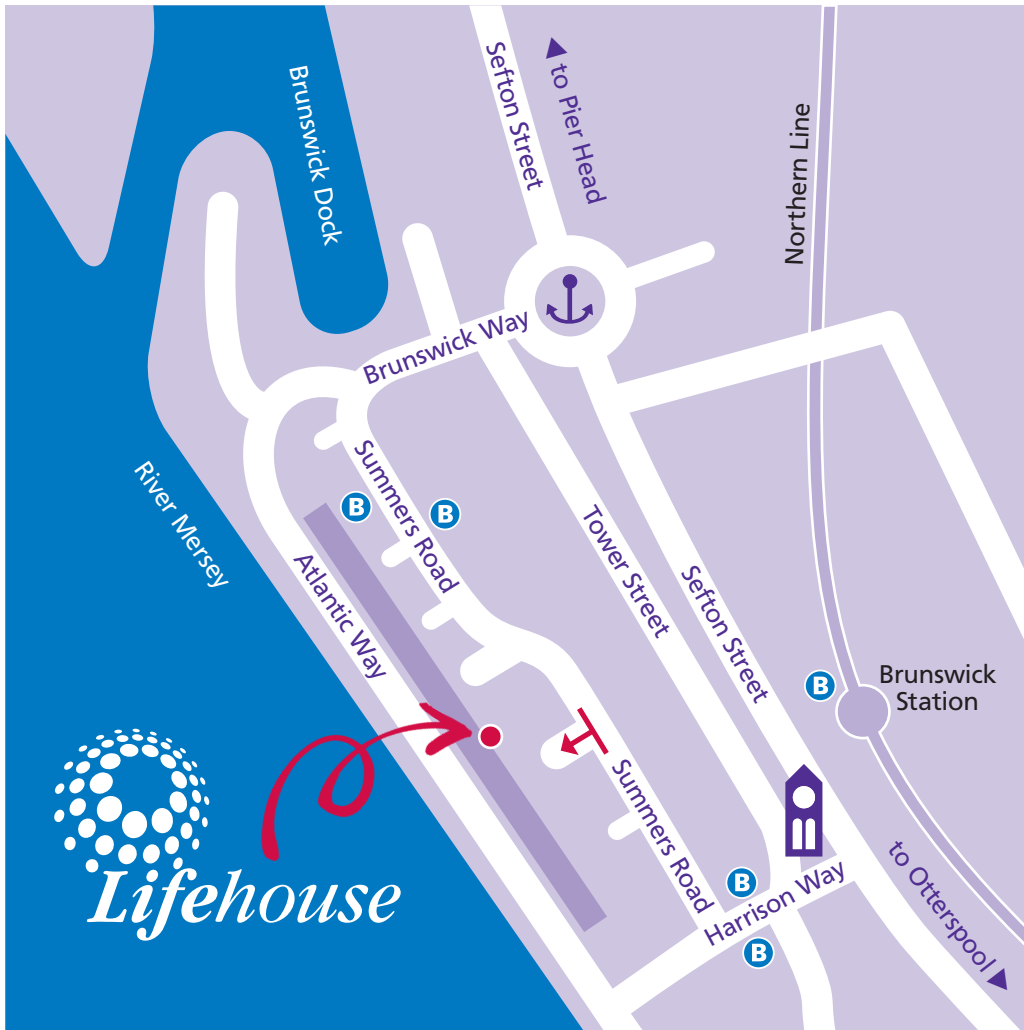

Bus-stops are marked with a **B** on the map below.

There is ample, free parking at **Lifehouse**. Approaching from

**Otterspool**: look out for the Century Building clock tower at the corner of Harrison Way and Tower Street; turn left into Harrison Way then right into Summers Road.

**Approaching from Pier Head**: look out for the

roundabout with the anchor in the middle; turn right here into Brunswick Business Park (Brunswick Way) then left into Summers Road.

## **Did you know...**

There are over 20,000 products on the market designed to assist older and disabled people.

If you need equipment to help you stay independent – how do you make the right choice?

**Liverpool Disabled Living Centre** provides impartial information and advice and the opportunity to see and try a vast range of products. From beds to bath aids, showers to stair lifts, whether the equipment is being provided for you or you are buying it yourself, our expert advisors can help you.

## **Equipment Information Helpline**

Disabled Living Centre staff have access to a huge range of information on equipment – just telephone, write in or e-mail with your enquiry.

An Occupational Therapist will discuss your needs with you and we will send you useful information.

## **Permanent Display of Equipment**

With over 2,000 products on display the centre has the largest range of equipment in the area. This gives you the opportunity to see and try equipment with the help of expert advisors.

## **Visits to the Centre and Open Days**

Open Days allow visitors access to the whole display area. Other services join in on Open Days so you can get information on an even wider range of subjects. People from all areas are welcome to Open Days which are held every few weeks.

## **Appointments**

If you live in Liverpool you can book a one-to-one appointment with one of our Occupational Therapists.

We will discuss your needs with you, demonstrate equipment and let you try it so you can be sure it's right for you. Then we'll write up a report with all the information on your visit and send you a copy.

## **How to get equipment**

We will let you know whether the equipment you need can be provided free. The centre does not sell equipment but we have information on national, local and mail-order retailers.

If you have to purchase it yourself, we'll let you know how to find if there are any sources of funding to help. We have a store of smaller items that we can provide free to visitors from Liverpool who need them.

## **Give us a call!**

Whatever you need to know about equipment please contact us. If we don't know the answer to your specific enquiry we'll do our best to find out or put you in touch with someone who can help.

## **A centre for learning**

With so much expertise, equipment and information under one roof Liverpool Disabled Living Centre a great place to learn about how equipment can enable people to be independent and safe.

We hold product awareness sessions, new equipment demonstrations, educational visits and of course our frequent open days.
